NOTICE OF PATIENT FINANCIAL RESPONSIBILITY

Updated and Effective September 23, 2019

Our office provides services in good faith that it will be appropriately compensated, at time of service. It is your responsibility to understand your individual health policy. OrthoLA will file with your primary and secondary health insurance; but requires timely payment from both insurance and the patient.

Patients are responsible for letting us know of any changes in insurance coverage or other pertinent demographic information prior to services being rendered. You must provide our office with your current insurance card(s) as well as a current state issued photo ID or driver's license with each and every visit. Non-U.S. Citizens must provide copy of their passport. If you do not provide us with the correct insurance information and benefits are reduced or denied as a result, you will be responsible for charges incurred.

Deductible, copayments & coinsurance are due at time of service. As part of our insurance contracts and government regulation, we are not allowed to write off patient coinsurance and deductibles.

Outstanding patient balances must be paid prior to new appointments being made. We reserve the right to charge an Administrative Fee of $25.00 for regenerating patient statements on non-payment and/or partial payments of accounts. Late/partial payment fees are not covered by insurance and are the responsibility of the patient/guarantor. *Subject to CMS rules & restrictions for Medicare patients*.

All outstanding patient balances, deductibles, coinsurance & estimated deposits must be paid in full at least 3 business days prior to an elective surgery.

We will coordinate with your employer for work related injuries. It is the patient's responsibility to let us know if a visit is work related and to provide all necessary details *prior to services being rendered* so we may follow appropriate regulations.

We ***do not*** coordinate with third party liability *(example: MVA)*. If we are contracted with your health insurance company, we will submit a claim to your health insurance. You will still be responsible for deductible, copayments, and coinsurance at time of service. If you do not have health insurance or your health insurance denies coverage due to a third-party liability, then you will be held responsible for all non-covered charges. We will not suspend patient collections based on the outcome of a third-party liability claim. You are obligated to provide us with accident detail information and contact information on legal representation. Unpaid claims will be forwarded to our attorney for lien placement and collections.

Interest, penalty, & collection costs including but not limited to attorney's fees incurred in order to obtain patient payment are the responsibility of the patient/guarantor.

Patients are expected to honor their scheduled appointment times. Missed appointments are subject to a fee.

I have received, read, and understand orthoLA's Notice of Patient Financial Responsibility Policy. I understand my right and responsibilities and also agree to abide by this policy.
